MADE TO MEASURE VILLAS

Buying from plans allows you to customize your interior. Tailor your home to suit your needs, from the decor to maximizing spaces (building permits allow a third master bedroom upstairs).

BUILT TO LAST

Everything is designed to make your new home unique and sustainable, from the eco-design, materials and price, to the product features.

ONCE UPON A TIME

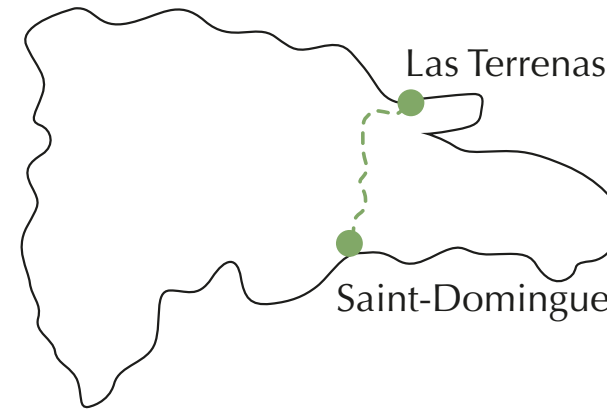

Precursors of eco-friendly homes in the Dominican Republic and passionate about nature and well-being, developers Elsa and Yoann create ingenious projects.

15 years of successful realizations.

Easy access, secure residence
close to beaches and the town.

- International Airport: 40min
- Beach and town: 3min
- Santo Domingo: 2hr
